

## Corporate, Small Business, and Group Opportunities Choose or Customize Your Own Package

### Corporate Volunteer Experience

While satisfying corporate social responsibility, your team of volunteers can participate in a natural, farm-based experience unique to Pony Power. Maintaining a farm and caring for 22 horses, 3 goats, 2 pigs and 6 chickens prompts a variety of group projects available ranging from gardening and harvesting to painting and purging, as well as animal care. Volunteers can choose from our therapeutic riding program or our farm crew program working with special needs children and adults.

### Corporate Staff Development

Relax and recharge your team for a half-day or full-day capacity in a nature-based, farm setting. Experience being still and being present through mindfulness and meditation. Delve into soul searching on our sensory trail or through the simple beauty and tranquility of exploring over 13 acres of land. Teams will interact with one another in a new way designed to spark creativity and rejuvenate well-being. Through trained staff members, incorporate a unique horse experience into your retreat in an intimate farm environment. Use our comfortable farmhouse for meetings.

### Community Space/Social Events

Rent our cozy and spacious farmhouse for private meetings or social events. Use our comfortable collaboration space for your next brainstorming session or intimate dinner party. The possibilities are endless. Make use of our fireplace or state-of-the-art kitchen to enhance the overall experience.

### Corporate Sponsorships

Be a yearlong sponsor or support our annual fundraising events: Horse Show & Community Fair and Golf & Tennis Outing.
